

TECAR INTERNATIONAL

WE CONNECT MARKETS

THE WORLD'S BIGGEST NETWORK OF NATIONAL AUTOMOTIVE AFTERMARKET CAR DEALERSHIP ASSOCIATIONS.

Since its foundation in 1992, our **global network** has been dedicated to the motto „Worldwide partnership-based collaboration“. As the **biggest network** of this kind, we respond fast, effectively and collaboratively to the constantly changing conditions on the **international automotive aftermarket** – thereby ensuring the long-term success of **national car dealership cooperation agreements/purchasing associations**, their affiliated car dealerships and also our **internationally listed suppliers**.

The TECAR INTERNATIONAL business model is **unique**. In cooperation with our members, we are an agent and originator that acts as an intermediary between suppliers and car dealerships. We facilitate efficient, direct and **international trade** and ensure that both sides benefit long-term from the **synergy effects** generated in this way. To achieve this, we address the digital transformation with **new concepts** as a group, focus on **efficiency** and make **service** our top priority.

*»We are the **strategic partner** where cost-effective, efficient and international retail with automotive products and services is concerned. Our unique, wide portfolio of concepts and brand expertise also represents a one-off global wealth of knowledge for our members and suppliers equally.«*

EXPERTISE MEETS SUCCESS ...

... TO THE BENEFIT OF ALL OUR PARTNERS.

TECAR INTERNATIONAL **overcomes the existing trade barriers** for car dealership cooperation agreements/purchasing associations and their affiliated major car dealership groups, for trading companies that do business in the automotive environment and for supplier partners from all over the world – thereby facilitating **stable, long-term and successful business** relationships. In the course of this, we ensure that you are able to utilise this worldwide **unique sales potential** to your long-term advantage by offering operational business support, the consolidation of procurement volumes, advice from strategic business development experts and the opportunity to network on a regular basis.
